

Green River, Take A Dive

Take a dive (x3)
You're a mistake set for a fall
Ya gonna jump before you're pushed?
Beat 'em to the punch (x2)
Take a leap before you look
Take a dive (x3)

As low
As low as you can go
Lookin' for something left behind
Lookin' for something left inside
Headed face first (x2)
Headed face first for the pit of your stomach
Enjoy...
Enjoy the trash, enjoy the garbage
Enjoy the rubbish and waste inside
You've dredged the bottom cleansed your soul
It got you nothin' and there's nothing left to find
Take a dive (x3)
Take a dive dive dive dive dive...
