

Greenwheel, Louder Than Words

Can you hear me, not so loud a whisper
It seems as though it fades away
Before you hear what I have to say
Words can't offer you agreement
They're injustice to the songs you sing
Undermining your best intentions

CHORUS

And silence speaks louder than words sometimes but
Not everybody listens
It be known to all who'd only shut their mouths
Silence speaks louder than words

Can you hear me now that I am screaming
Cuz I can't tell a difference made with that blank stare on your face
And how do I explain what I am feeling
Just open up the cage today
a small price to pay

CHORUS

Although there may be indiscretion, remind yourself to play along
Block out your repetition
remind yourself who's in the wrong with you

CHORUS(x2)
