

# Greg Kihn Band, Happy Man

Happy Man  
The Greg Kihn Band

I do not ask for much  
Something real that I can touch  
Someone there late at night  
Someone there to hold me tight

You know I understand  
Just what it takes  
To be a happy man

I'm gonna be a happy man  
Just you and me while we still can  
There's nothing that we can't do  
Me and you, a happy man

Some people need a lot  
Others want what they haven't got  
I need just what it takes  
That's when the tension breaks

I'll be just what I am  
Oh, oh, oh  
A happy man

I'm gonna be a happy man  
Just you and me while we still can  
There's nothing that we can't do  
Me and you, a happy man

(Solo)

I'm gonna be a happy man  
Just you and me while we still can  
There's nothing that we can't do  
Me and you, a happy man

I'm gonna be a happy man  
Just you and me while we still can  
There's nothing that we can't do  
Me and you, a happy man

A happy man  
A happy man  
A happy man

I'm gonna be, I'm gonna be  
A happy man (Repeat both lines 3x or 4x while fading)
