

# Greg Laswell, Same As You

This is just about as much as I can handle  
I'm not nearly strong as I can sometimes seem  
My life turned on a dime  
And nearly threw me out of time

Same as you  
Same as me  
Same as everything we've seen  
Same as you  
Same as me  
Same as everything we've seen

Oh and everything is nothing  
Cause everything was me  
Oh and everything is nothing  
Cause everything was me

All of you  
All of me  
All of everything we've seen  
All of you  
And all of me  
All of everything we've seen

Was all of it for nothing?  
Was all of it for me?  
Was all of it for nothing?  
Was all of it for me?

Turns out that all of it was nothing  
Cause everything was me  
Turns out that all of it was nothing  
Cause everything was me

My my how quickly everything  
That I knew

It turns out that everything is nothing  
Cause everything was me  
Always everything for nothing  
Cause everything for me

Always everything for nothing  
Cause everything was me  
To you  
Everything is nothing  
Cause everything was

My my how quickly I'm outside  
And you  
My my how quickly everything  
That I knew
