

Gregorian, A Weakened Soul

A Weakened Soul

Strange desire
To take without needing
Build the fire
Or die in the flames.
Strange desire
To take without needing
Build the fire
Or die in the flames.

A Weakened Soul

A Weakened Soul

Strange desire
To take without needing
Build the fire
Or die in the flames.
Strange desire
To take without needing
Build the fire
Or die in the flames.

Agnus Dei
Qui tolles peccata mundi
Agnus Dei
Qui tolles peccata mundi
Dona nobis pacem
Agnus Dei
Qui tolles peccata mundi
Qui tolles peccata mundi

But now the time has past
I stand alone again
