

Gregorian, Close My Eyes Forever

Baby i get so scared inside and i don't really understand
is it love that is on my mind or is it fantasy
Heaven, is in the palm of my hand and its waiting here for you
what am i supposed to do with a child of prejudy

Chorus:

If i close my eyes forever
would it all remain unchanged
if i close my eyes forever
would it all remain the same

Sometimes its hard to hold on so hard to hold on to all my
dreams
its not always what it seems when your face to face to me
like a dagger you stick me in the heart or taste the blood from
my blade
and when we're asleep would you shelter me in your warm and dark
grave

Chorus:

If i close my eyes forever
would it all remain unchanged
if i close my eyes forever
would it all remain the same

Will you ever take me
no i just can't take the pain
would you ever trust me
no i'll never feel the same

I know i've been so hard on you
i know i've told you lies
if i could have just one more wish
i would wipe the cobwebs from my eyes

Chorus:

If i close my eyes forever
would it all remain unchanged
if i close my eyes forever
would it all remain the same

Oh yeah

Close your eyes
Close your eyes
you gotta close your eyes for me...
