

Greta Van Fleet, Fate Of The Faithful

Utwór 'Fate Of The Faithful' z albumu 'Starcatcher' od Greta Van Fleet (premiera 21 lipca 2023r.)

Hail, the God song!
All thrill to the tune devout reprise!
Hail, the eon!
We knelt on this slab the blessed people!

We fought for the fable, aha!
But instead we burn
And in the end of time, aha!
Left an empty urn

Music-maker!
A noisy device to take the toll!
God forsake her!
For the songs that she sang have left god's acre!

We fought for the fable, aha!
But instead we burn
And in the end of time, aha!
Left an empty urn

(Bridge)

We fought for the fable, aha!
But instead we burn
And in the end of time, aha!
Left an empty urn

(Outro)
