Gretchen, Desire

(verse 1)
Holy one, in your majesty and grace
There is none, to compare to you
I tried to run, to the corners of the earth
But your love brought me home

(pre-chorus)
I thought I could leave you
But I could never deceive you
Into turning your face away
So I tried to ignore you
other things before you
but oh,oh,oh I just got to say:

(chorus)
I want you, I need you
I finally found the guts to say
I want you, I need you
I finally found the guts to say
I want you, I need you
I finally found the guts to see
I want you, I need you, I need you, I need you

(verse 2)
Holy one, there are no words to describe your only son and his sacrifice
A perfect love that was fastened to a tree a punishment, that was meant for me
