

Gretchen, White Wedding

(verse 1)

Hey little sister what have you done
Hey little sister who's the only one
Hey little sister who's your superman
(Hey little sister who's the one you love)
Hey little sister shot gun!

(chorus)

It's a nice day to start again
It's a nice day for a white wedding
It's a nice day to start again

(verse 2)

Hey little sister what have you done
Hey little sister who's the only one
I've been away for so long
(I let you go for so long)
I've been away for so long

(chorus)

(bridge)

There is nothin' fair in this world
There is nothin' safe in this world
And there is nothin' sure in this world
And there is nothin' pure in this world
If there's nothing left in this world
Start again!!!
