

# Grey, It's You And I

It was a moment, when we walked in silence, beside taht river.  
It was a feeling, that I saw in our hearts, along the Garonne.  
If in a heaven there lies a love which cannot be broken.  
It's in this place that you and I will stand forever.

It's a moment without any end.  
It's a feeling when two just must begin.  
It's a heaven of love all again.  
It's you and I. It's you and I
