Grey, Walking Today

Walking today and wondering what to say, oh I know she'll be there at two. So afraid and wondering what to do, oh she knows I'll ask for sure.

Try to be as calm as I can.

Mature and smart and cool but I see myself, playing the fool, playing the fool again.

Lost everyday and lost in every way, oh I want to be near her again. So afraid and what do I say, oh she makes me feel just like a kid.

Walking today and walking away, oh I knew this love couldn't be true. Just another day and I'm feeling free but I'd like to feel that with you
