

Grinspoon, Dr. Grinspoon

I was at the pub the other night
And some ladies were looking all right
So my dick goes she looked ok
But she had her back shaved
Your head is fucked and so are you
You're like a bad dream coming true
I'd give it up mate if I were you
Your head is fucked and so are you
It's so bad they were all the same
And a little bit a little beg
And I whistled and he
Took me home, but I said
no no no
Your head is fucked and so are you
You're like a bad dream coming true
I'd give it up mate if I were you
Your head is fucked and so are you
Oi Oi Oi
Oi Oi Oi
Oi Oi Oi
Oi Oi Oi
Get fucked you punk losers
Your head is fucked and so are you
You're like a bad dream coming true
I'd give it up mate if I were you
Your head is fucked and so are you.
