

# Grinspoon, Ordinary

all right  
right on  
cowgirl  
that song  
find something u can sell  
then make a war to find it

your told it  
so now its true  
no buisness  
somewhere ordinary yeah ordinary

cast yeah  
alright  
baby  
your rockin tonight  
it started out so well  
then it goes straight then it folds

your told it  
so now its true  
no buisness  
your so ordinary  
get back to  
when u were blue  
go find her  
somewhere ordinary

find somewhere u can go and get away from it all...

your told it  
so now its true  
no buisness  
somewhere ordinary  
get back to  
when u were blue  
go find her  
somewhere ordinary  
your so ordinary
