

# Gromee, Without You (ft. Lukas Meijer)

I am the water  
you are the Sun  
when you are closer, closer  
one come undone

no I am not a here  
and I'm trying to run  
heart beating faster, faster  
skin can be the one

because I'm dying every day  
Without You  
my life's not complete  
Without You  
my heart is simple stiff  
Without You  
cause I'm lost  
lost in your love

lost in your love  
Without You  
my life's not complete  
Without You  
my heart is simple stiff  
Without You  
cause I'm lost  
lost in your love

I am the fever  
reveling my scars  
this time  
I will breaking, breaking  
down this walls

no I am not a here  
and I'm trying to run  
heart beating faster, faster  
skin can be the one

because I'm dying every day  
Without You  
my life's not complete  
Without You  
my heart is simple stiff  
Without You  
cause I'm lost  
lost in your love

lost in your love  
Without You  
my life's not complete  
Without You  
my heart is simple stiff  
Without You  
cause I'm lost  
lost in your love
