

Groove Armada, Love Sweet Sound

[Verse 1]

I wanna take you somewhere
You have never been
I wanna show you something
You have never seen
I can feel the pressure
Just fading away
I know oh yes I know
It's a brand new day mm

[Chorus]

Oh yeah, love sweet sound
(Just a love, a love sweet sound)
Oh yeah, love sweet sound
(Just a love, a love sweet sound)
