

# Groove Coverage, Forever Young

Lets dance in style, lets dance for a while  
Heaven can wait were only watching the skies  
Hoping for the best but expecting the worst  
Are you going to drop the bomb or not?

Let us die young or let us live forever  
We dont have the power but we never say never  
Sitting in a sandpit, life is a short trip  
The musics for the sad men

Can you imagine when this race is won  
Turn our golden faces into the sun  
Praising our leaders were getting in tune  
The musics played by the madmen

Forever young, I want to be forever young

Do you really want to live forever, forever and ever

Some are like water, some are like the heat  
Some are a melody and some are the beat  
Sooner or later they all will be gone  
Why dont they stay young

Its so hard to get old without a cause  
I dont want to perish like a fading horse  
Youth is like diamonds in the sun  
And diamonds are forever

So many adventures couldnt happen today  
So many songs we forgot to play  
So many dreams are swinging out of the blue  
We let them come true
