Your cruel deep eyes Your blood like ice One look could kill My pain your thrill

I wanna love you, but I better not touch
I wanna hold you, but my senses tell me to stop
I wanna kiss you, but I want it too much
I wanna taste you but your lips are venomous poison
You're poison running through my veins
You're poison; I don't wanna break these chains

Your mouth so hot Your web I'm caught Your skin so wet Black lace on sweat

I hear you calling and its needles and pins
I wanna hurt you just to hear you screaming my name
Don't wanna touch you, but you're under my skin
I wanna kiss you but your lips are venomous poison
You're poison running through my veins
You're poison; I don't wanna break these chains

Running deep inside my veins Poison burning deep inside my veins One look could kill My pain your thrill

I wanna love you, but I better not touch
I wanna hold you, but my senses tell me to stop
I wanna kiss you, but I want it too much
I wanna taste you but your lips are venomous poison
You're poison running through my veins
You're poison; I don't wanna break these chains
