

# Groove Coverage, I Need You Vs. I Need You

## Verse 1

I know there's something in your eyes  
I know there's something in your smile  
makes me feel like losing all my thought tonight  
baby  
every day I read between the lines  
every night I'm searching for your signs  
you belong to heaven's gate  
angel of hope

## Chorus:

I need you  
you're always on my mind  
that's all you left behind  
my love will last eternally  
I need you  
like no one else before  
you're all that I adore  
my love will last eternally  
I need you  
oh I need you  
ohohoho...  
like no one else before

## Verse 2

So many things I felt to do  
one thousand miles I'd run for you  
you're still the only one I ever need  
baby  
everyday I read between the lines  
everynight I'm searching for your signs  
you belong to heaven's gate  
angel of hope

## Chorus:

I need you  
you're always on my mind  
that's all you left behind  
my love will last eternally  
I need you  
like no one else before  
you're all that I adore  
my love will last eternally  
I need you
