

# Groove Coverage, Poison (Original)

Your cruel device  
Your blood like ice  
One look could kill  
My pain, your thrill

I wanna love you  
But I better not touch  
I wanna hold you  
But my senses tell me to stop  
I wanna kiss you  
But I want it too much  
I wanna taste you  
But your lips are venomous poison

Your poison running through my veins  
Your poison  
I don't wanna break these chains

Your mouth, so hot  
Your web, I'm caught  
Your skin, so wet  
Black lace on sweat

I hear you calling  
And it's needles and pins  
I wanna hurt you  
Just to hear you screaming my name  
Don't wanna touch you  
But you're under my skin  
I wanna kiss you  
But your lips are venomous poison

Your poison running through my veins  
Your poison  
I don't wanna break these chains

Running deep inside my veins  
Poison burning inside my veins

One look could kill  
My pain, your thrill

I wanna love you  
But I better not touch  
I wanna hold you  
But my senses tell me to stop  
I wanna kiss you  
But I want it too much  
I wanna taste you  
But your lips are venomous poison

Your poison running through my veins  
Your poison  
I don't wanna break these chains
