

Groovie Ghoulies, Devil Town

[Originally by Daniel Johnston]

I was living in a devil town
Lived my life in a devil town
Oh my lord it really brings me down
About the devil town
And all my friends were vampires
I didn't know they were vampires
Until that I was a vampire too
In a devil town

Hey

Hey

Hey

Hey

Hey

I was living in a devil town
Lived my life in a devil town
Oh lord it really brings me down
About the devil town
Devil town
