

Groundation, One More Day (Live It Up)

People if i had only one more day
I'd live my life right i would
I would find a way to love everyday,
All people as i should
And as they walk let them talk
Let them talk about yesterday
Standing alone, mounting their sin upon sin
With nothing within
People if i had only one more time to groove yea
People if i had only one more time to move,
I'd let my soul groove
Live it up, live it up,
No you can't(can) go on forever
Live it up, live it up, ya can't (can) go on forever

People if i had only one more day
I'd live my life right i would
I would find a way to love everyday,
All people as i should
And as they walk let them talk
Let them talk about yesterday
Dreaming alone, yes i wish the best for you,
Now what you gonna do?

Live it up, live it up you can't(can) go on forever
No you can't(can) go on forever
Jah jah kingdom forever
