

# GTA, Red Lips (feat. Sam Bruno)

No, no...

No, no, don't let her smile fool  
Don't let her eyes confuse  
Red lips always lie  
'Cause red lips,  
Has a filthy price  
That's a murder, in her paradise  
No, no red lips  
Has a filthy price  
That's a murder, in her paradise

No, no...

No, no, don't let her smile fool  
Don't let her eyes confuse  
Red lips always lie  
'Cause red lips,  
Has a filthy price  
That's a murder, in her paradise

No, no, don't let her smile fool  
Don't let her eyes confuse  
Red lips always lie  
'Cause red lips,  
Has a filthy price  
That's a murder, in her paradise
