

Guano Apes, Ain't Got Time

Ain't got time
You ain't got time

Ain't got time to say Goodbye
Feel so free my music's got me back

We got to teach you
bomb the beat y'all

Get off your feet, yeah you appear
give me your tears, 'cos we're all going mad

Take me miles away from home

Invisible dreams, becoming true
faces unknown, emotions eye to eye

Take me miles away from home
