

# Guardian, Time And Time Again

My life, before my eyes going back  
Again. Memories of days gone by  
when I thought I had reached the  
end. Life can be so cruel when you  
know that you, have given all  
you've got, but you can't break  
free. Love can be so strong when  
you give your heart up to the One  
who gives you strength to carry on  
CHORUS I:

Time and Time again, You helped  
me thru; Time and Time again, You  
showed me the Way; Time and  
Time again You helped me thru,  
I keep running thru the danger zone

CHORUS II

Oh Lord, You're always watching  
over me ... Oh Lord, now I'm the  
man that I should be  
I came into this life, I thought I was  
my own. But there is a love greater  
than all, I can't make it alone.  
Life can be so cold when you know  
that you have given all you've  
got, but it's not enough. Love can  
be so good when you, give your life  
up to the One who gives you  
strength to carry on.

CHORUS I

CHORUS II

Your love is so good and You're  
always watching over me. Now  
I'm the man that I should be
