

# Guided By Voices, Born On Seaweed

Wait patiently and suddenly see  
Motivation that cries out  
Mutilation of the senses  
Finish your sentence  
Taste the bones before chewing  
Shout out a point  
And then step back  
And look out  
It's not exciting is it?  
He's a prick  
And owns a fortress  
Born on horniness  
Born at time change  
Born on seaweed  
Forgot his origins  
So wait patiently and see  
Motivation that cries out
