

Guided By Voices, Cath

I went to dustin' town
He knows it's the best around
And he sees it everyday
He don't know what to say
I hate it anyway
I hate it anyway - oh, yeah
Oh, sure
Oh Cath, you're a very fine girl

You make it, war my world
And if i could, I'd be your man
But that's just not in your plan
And I hate that way you look at him
Oh woah, Cathy
Come on, Cathy...
