Guided By Voices, Exploding Anthills

Exploding anthills in my head I'll tell you later
Now I'm dead
I call girl with x ray hair
Call again but she's not there

It's all it breaks (?)
Infibulates
Thing thinking
A thing thinking
A thing thinking
A thing thinking

She gave me things that made me dig (?) Magic vestibules and horses wig (?) A shredded box from the raging wood (?) On an ant from a smashed car ???

And at the equinox Can't reach the PO box A thing thinking A thing thinking A thing thinking A thing thinking...
