

# Guided By Voices, Kerouac Never Drove, So He

you're born alone,  
you die alone, you  
pull into a truck-  
stop in Gallup alone  
where every trucker  
looks like the devil.  
like pictures of the  
devil. like they'd  
kill you worse than  
cops or buy you a  
beer, two beers, if

they knew what you  
were thinking. about  
their looking like  
the devil or killing you or buying  
you beers. but  
there's no beer  
at this stop, so  
it's only devil,  
killing...
