

Guided By Voices, Little Jimmy The Giant

It started in 7th grade when they held me back
they said I was way too small to offend attack
When I get my boots on baby
They'll see that I'm not so small
My little gold fills and chains(?) make me feel like I'm ten feet tall
I'm little Jimmy the giant
And then in the ???
They said I was way too small to defend attack
When I get my boots on etc.
I walk around
I know the way
I make a sound
I'm ten feet tall
I'm ten feet tall
I'm ten feet tall
When I get my boots on etc.
