

# Guided By Voices, Radio Show (Trust The Wizard)

Radio show, radio show

Trust the wizard, here we go

Radio show, radio show

Trust the wizard, don't say no

It's another day today (or is it "to day" instead of "today"?)

It's another day today

Alone he's alive he's alone he's alive

This is not another fad

It's another day today

It's another day today

Radio show, radio show

Trust the wizard, here we got

Radio show, radio show

Trust the wizard, can't say no

It's another day today...
