

# Guided By Voices, The Wheel Hits The Path (Quite Soon)

Time is today  
Request for a quart of blood  
of the essence  
Each piece requires a hammer  
I'm needing it  
An ongoing search for  
Mystical merchandise  
We're keeping it up  
And the wheel hits the path  
quite soon

Blown off of course  
Like hairspray party  
At the wind tunnel  
Straight out of a geek epic  
I'm watching it  
The trial of superman's  
word against the world  
The picture is breaking up  
But the wheel hits the path  
quite soon
