

Guided By Voices, Underground Initiations

Good morning finger
Approximate a plan
To sell another t shirt
So how's your head hurt
And what's to understand
Of elevated teachers
You like a metal fan
On high at times
So go protruding hands
In aerospace arena
Interference dead
Let it go you don't need it anyhow
All at your finger tip selection-fly in all directions now!
Let it go you don't need it anyhow
All at your finger tip selection-fly in all directions now!
