

Guillemots, Take Me Home

All the world is laughing
All the world is dancing
I'm sat here, romancing
Nobody, on my own

Won't you take me home?
Take me home
Take me home

Don't know where I'm going
Or who I am no more
Lying on the carpet, beating,
Beating, lying down on the floor

Take me home
Take me home
Take me home
Take me home
Take me home

When all the world's been dreaming
I've been burning all my feelings
I wish that I was dreaming too
I wish I was asleep

Oh, take me home
Take me home
Take me home
Take me home
Take me home
