

Gun, Long Road

When words they mean nothing and everything you say is wrong
You tell me your happy turn around and I'll be gone
You think about leaving, leaving when the going's good
You think about heaven and everything it means to you

And I gave you hope and I showed you life
Now you search for love in this world tonight
And you run, and you hide
There's a fire in your eyes

And I say life is like a long road
With open arms we walk this long road
Precious little angel promises are made
The door is lying open here I go again

And I gave you hope, and I gave you love
Now the change has come are you strong enough
And you run and you hide
There's a fire in your eyes

And I say life (Angel) is like a long road
With open arms (Angel) we walk this long road

Bring me shelter, bring me truth
You can turn it all around
Break this silence, break this pain
Help me turn it all around
Am I talking to myself?

And I wait night and day
I've seen love turn to hate
Nothing's changed, looking back
Is it so wrong to want what we can never have?

I say life (Angel) is like a long road
To reach so high (Angel) we bow down so low

Precious little Angel, promises are made
The door is lying open here I go again, again, again

I say life (Angel)
And I say life (Angel)
And I say life (Angel) Is like a long road
And I say life (Angel)
And I say life (Angel)
And I say life (Angel) Is like a long road
