

# Gunna, .223

100 miles per hour

I got flawless baguettes the size of the charm  
Expensive designer, ain't ever been worn  
Receivin' these prices they say light of dawn  
Scott del white cover half of my arm  
Niggas ain't rockin that shit that we on  
Your bitch come and see me like 5 in the morning  
We carry these .223's like we the army  
Haa, you niggas broke, don't think life is important  
Handin out weed, selling out like the Jordans  
Cashing out numerous thousand important  
You gon' swallow this cum fore you have an abortion  
Auto cost pages we look like the martians  
Stating advice can't go out of the margin  
Coupe worth too much but I can't even park it

This is a Bentley bitch, this not a Lexus (skrrt)  
You beat me to the club like a domestic  
I came to the club and they gave me a section  
Hulk on my track and my track I'm matte blacken  
Saint Laurent trench coat, Rick Owen my jacket  
Pull up I lam it, no I won't crash it  
Rock star lifestyle like my name Lenny Kravitz  
Cartier diamonds, the frame in my glasses  
No,no,no, you can not get these lens crafters  
I shook his hand I was smiling and laughing  
We killed that nigga, came out like what happened (what happened)  
What happened lil nigga, what happened  
It's Mr. Geeked Up, I'm never not lacking  
I stay with my twin like my name was Shannon  
Black in my fish, no pink call it salmon (Yeah!)

Pussy cool but the head is retarded  
Make one false move, your head is a target (target)  
Got the drip and I still ain't reward it  
Used to ball marco like I play with the hornets  
Ray gbn like my bro DJ Cory  
Been walking magic, I turn the world to the stormy (stormy)  
These fuck bitches want give me the horje  
You hear the horses when we runnin' these Porsche's  
Drop the top I feel like I can soar, corgi that paint on my Christian Dior  
Coming up really had this shit hard, now that you want cate me shopping desire (desire)  
My shawty I wear like a heart, 16 whole rounds in that mini AR Comila some of my dogs caught the
