

Gunna, Japan

Got some racks in my bag, racks in my pants, yeah
Take a flight to Japan, had to take a xan, yeah
Got a cool new swag but my drip gon' drag, yeah
I'mma jump in that Lamb', drive it fast, yeah

Only when she call me she horny
Slam dunk in your bitch like Jordan
Got some venom from the slime, she poisoned
Sit the Bentley on some offset Forgi's
Then I gave some racks to my main man

Hope you pussies paying homage
Got lean flowing down to my stomach
Pop a X pill to kill my conscience
I was sleeping at the bottom of the dungeon
Right before I had my funds then
And they let me walk through with my gun in
