

# Guns N' Roses, It's so easy

I see your sister in her sunday dress  
Shes out to please, she pouts her best  
Shes out to take, no need to try  
Shes ready to make  
Its so easy, easy when everybodys tryin to please me, baby  
Its so easy, easy when everybodys tryinto please me  
Cars are crashin every night, I drink n drive everythings in sight  
I make the fire, but I miss the firefight  
I hit the bulls eye every night  
Its so easy, easy when everybodys tryin to please me, baby  
Yeah, its so easy when everybodys tryin to please me  
So easy, but nothin seems to please me  
It fits so right when I fade into the night  
See me hit you, you fall down  
I see you standin there, you think youre so cool  
Why dont you just f\*\*\* off  
Ya get nothin for nothin if thats what you do  
Turn around bitch I got a use for you  
Besides you aint got nothin better to do and Im bored  
Its so easy, easy when everybodys tryin to please me, baby  
Its so easy, easy when everybodys tryin to please me  
So easy but nothin seems to please me, it all fits so right  
When I fade into the night  
So some with me dont ask me where cause I dont know  
Ill try to please you, I aint got no money but it goes to show  
Its so easy, so fuckin easy, its so easy, so damn easy  
Its so easy, so fuckin easy, its so easy, its so easy
