## Guns N' Roses, November Rain

When I look into your eyes I can see a love restrained But darlin' when I hold you Don't you know I feel the same

'Cause nothin' lasts forever And we both know hearts can change And it's hard to hold a candle In the cold November rain

We've been through this auch a long long time Just tryin' to kill the pain

But lovers always come and lovers always go An no one's really sure who's lettin' go today Walking away

If we could take the time to lay it on the line I could rest my head Just knowin' that you were mine All mine So if you want to love me then darlin' don't refrain Or I'll just end up walkin' In the cold November rain

Do you need some time...on your own Do you need some time...all alone Everybody needs some time... on their own Don't you know you need some time...all alone

I know it's hard to keep an open heart When even friends seem out to harm you But if you could heal a broken heart Wouldn't time be out to charm you

Sometimes I need some time...on my own
Sometimes I need some time...all alone
Everybody needs some time...
on their own
Don't you know you need some time...all alone

And when your fears subside
And shadows still remain
I know that you can love me
When there's no one left to blame
So never mind the darkness
We still can find a way
'Cause nothin' lasts forever
Even cold November rain

Don't ya think that you need somebody Don't ya think that you need someone Everybody needs somebody You're not the only one You're not the only one
