

# Guns N' Roses, Silk Worms

Listen motherfuckers to this song that should be heard  
Thrown down in the gutter, it's more than you deserve  
Kneeling fucking virgin, you know that's what you are  
Pussy for a maggot, isn't that a shock  
What can I do? With a bitch like you  
You know that it's true  
All I have I ask of you  
I'll be damned  
If it's not true  
A bitch like you  
Get your head down in the sky  
Fucking little schemer got yourself a broken heart  
Syphilitic preachers baby I know who you are  
Parasitic demons sucking acid through your heart  
What can I do? With a bitch like you  
You know that it's true  
All I have I ask of you  
I'll be damned  
If it's not true  
A bitch like you
