

Guster, Two Points For Honesty

If that's all you will be, you'll be a waste of time
You've dreamed a thousand dreams, none seem to stick in your mind
Two points for honesty
It must make you sad to know that nobody cares at all
I want to be where I've never been before
I want to be there and then I'd understand
Know I'm right and do it right, could I get to be like that
I'll know what I don't know with nothin more to gain
Will I get better or stay the same
I find I always move too slowly
Can't lift a finger, can't change my mind
I never knew till someone told me that...
If that's all you will be, you'll be a waste of time
You've dreamed a thousand dreams, none seem to stick in your mind
Two points for honesty
It must make you sad to know that nobody cares at all
And all the people who've seen it all before
And all the people who really understand
Know they're right, and have done it right, could I get to be like that
I'll know what I don't know, it's harder everyday
Can't lift a finger, can't hurt a fly
I've found I always move too slowly
One thing for certain, I'm insecure
I never knew till someone told me that...
If that's all you will be, you'll be a waste of time
You've dreamed a thousand dreams, none seem to stick in your mind
Two points for honesty
It must make you sad to know that nobody cares at all
Nobody cares at all
They never care at all
