

Guy, I Do Love You

I do love you!

You can have a piece of my love, it's waiting for you, girl it's true...
You can have a piece of my love, it's waiting for you, girl it's true...

Baby, you can't have all of me, 'cause I'm not totally free,
I can't tell you everything that's going on, baby...
There's a few things in my past that should not be explained,
I'm askin' you baby, be with me for a little while!
Please hush, no questions asked, lay back and relax, (I do love you)
take off your shoes, lay your pretty sexy hair down (girl it's true)
it's happened now, baby, I'm givin' you a piece of me...you can have...

You can have a piece of my love, it's waiting for you, girl it's true...
You can have a piece of my love, it's waiting for you, girl it's true, I do love you...

I know that this is wrong, but the feeling's so strong,
I wish this could last forever...
But it wouldn't be the same, tell me who would be the blame
if we were to hurt all over again?
Please, hush, no questions asked (you can have a piece of my love)
lay back and relax, yeah...(it's waiting for you)
Take off your shoes, lay your pretty sexy hair down, (girl it's true)
I'm askin' you baby, I'm givin' you a piece of my love...
