

Guy, Let's Chill

[Aaron Hall: Talking]

Sweetheart, I've Been Tryin So Hard 2 Get Over U
But I Just Simply Can't
Because The Love We Shared
Through The Years Meant So Much To Me
All I'm Lookin For Just Is A Serious Relationship
Someone To Have A Hold On My Life
Won't U Give Me That Commitment
Let's Settle Down
Let's Chill
Don't Be Afraid Of Me, I Know My Love Is Scary
But I Promise Everything Will Be Alright
Come Closer, Let Me Talk To U
Let's Chill
Let's Chill

[Verse 1:]

From The 1st Time, I Saw Your Face
Girl, I Knew I Had To Have U
I Wanted To Wrap U With, My Warm Embrace
Visions Of Your Lovely Face

[Bridge:]

All My Love Is 4 U
Whatever U Want, I Will Do
You're The Only One I Want In My Life
4 U I'll Make That Sacrifice
So...

[Chorus:]

Let's Chill
Let's Settle Down
That's What I Wanna Do
Just Me & U
Let's Chill
Let's Settle Down
That's What I Wanna Do
Just Me & U

[Verse 2:]

I'm So Happy, 2 Have U Here
Standing Right By My Side
Is It A Dream Or Reality
If It's A Fantasy
Please Don't Wake Me

[Bridge:]

All My Love Is 4 U
Whatever U Want I Will Do
You're The Only One I Want In My Life
4 U I'll Make That Sacrifice
So Baby.. Let's Chill

[Chorus]

[Hook:]

Forever & Ever
Ever & Ever
Ever & Ever
Always.

Forever & Ever
Ever & Ever
Ever & Ever

Always
