

# Guy, Love Online

Welcome, you've got mail  
Love online, do or die  
Time to see, email me  
Saturday nite, you and I  
Oh oh

I'm feeling you, but you're not standing in front of me  
How did we make this connection thru my computer screen?  
But I feel as if I know you well and it's real, know how I can tell?  
The power of your words hit me, now you got me started; got my mind baby, right where you want  
I can't believe I found

Love online, do or die  
Time to see, email me  
Saturday nite, you and I  
Oh oh (I can't wait to see you)  
Love online, do or die  
Time to see, email me  
Saturday nite, you and I  
Oh oh

I wanna make you a part of me. So, let's bridge the internet; be all that we can because we're like 2

Love online, do or die  
Time to see, email me  
Saturday nite, you and I (I'm ready for your love baby. I can't wait to see you)  
Love online, do or die (My sweet love online)  
Time to see, email me  
Saturday nite, you and I, baby  
Oh oh

You've got mail  
I've been waiting, inside debating, anticipating, how you'll take me, on this day, all the things I say,

Love online, do or die  
Time to see, email me  
Saturday nite, you and I  
Oh oh (I can't wait to see you)  
Love online, do or die (My sweet love online)  
Time to see, email me  
Saturday nite, you and I  
Oh oh (Can't wait to fall in love again)  
Love online, do or die (I'm so nervous baby)  
Time to see, email me (I'll fall in love again)  
Saturday nite, you and I (with you baby baby)  
Oh oh  
Love online, do or die (LOL with me)  
Time to see, email me (LOL with me)  
Saturday nite, you and I  
Oh oh (Can't wait baby)  
Love online, do or die  
Time to see, email me

Goodbye
