

Guy Sebastian, Make Heaven Wait

Make Heaven Wait

I see you smiling every day
looking back at me
Like nothing ever changed
I swear I heard you call my name
but in reality
its just your picture in the frame

Why am I here
Without you
When there was so much left for us to do
How could the angels come too soon

Chorus
If i could make heaven wait
I'd find a way to ask God if he had
made some mistake
I he'd save your wings
for another day
If only i could make heaven wait

All your clothes are hanging up
not a things been touched
I left it all the same
I wish that i could press rewind
and go back in time
Just to see your face again
cos I miss you
I need you
I'm so alone without you here with me
you are the reason that I breathe

Chours

And everynight I search for your star
in the sky
asking why oh why
Lord knows I would trade in my life for
a chance to say goodbye

Chorus
