

Guy Sebastian, Tonight Again (Eurowizja 2015)

Everyone's got their problems
There's always something on your mind
But tonight we ain't gotta solve them
For tonight let's leave them all behind

Do what you what you what you want /3x
Get on it, get on it

I don't want tomorrow
Baby, tonight's so good
Tonight's so good
This is one tough act to follow
Baby, tonight's so good
Forget tomorrow – we can do tonight again

We can do tonight again
We can do tonight

Some people might call you crazy
They say we only live for fun
They may be right but only maybe
I can guarantee what we got is what we want
(Ain't that right?)

Do what you what you what you want /3x
Get on it, get on it

I don't want tomorrow
Baby, tonight's so good
Tonight's so good
This is one tough act to follow
Baby, tonight's so good
Forget tomorrow – we can do tonight again

We can do tonight again
We can do tonight
We can do tonight again

Do what you what you what you want /3x
Get on it, get on it

I don't want tomorrow
Baby, tonight's so good
Tonight's so good
This is one tough act to follow
Baby, tonight's so good
Forget tomorrow – we can do tonight again
Tonight's so good
This is one tough act to follow
Baby, tonight's so good
Forget tomorrow – we can do tonight again

We can do tonight again
Forget tomorrow – we can do tonight again!
