

Gwen Stefani, Baby Don't Lie

Here we go

We been walking down this road for some time
And you love, and you love me good, no lie!
But there's something behind those eyes, those eyes
That you can't, that you can't disguise, disguise

Baby don't, baby don't, baby don't lie
I don't wanna cry no longer
Baby don't, baby don't, baby don't lie
I'ma need a love that's stronger
I tell you no, I tell you no, I tell you no I, no I
If we ever give up, then we're gonna die
Look me in the eye
Baby don't lie
Baby don't lie

Baby tell me there's nothing below
Baby tell me there's nothing below
Here we, here we
Come on

Baby don't, baby don't, baby don't lie
I don't wanna cry no longer
Baby don't, baby don't, baby don't lie
I'ma need a love that's stronger
I tell you no, I tell you no, I tell you no I, no I
If we ever give up, then we're gonna die
Look me in the eye
Baby don't lie
Baby don't lie

What you hiding boy
What you hiding boy
I can tell what you've been hiding boy
And you can tell me if I'm getting warm
Am I getting warm
Am I getting warm
Am I getting warm
And you can tell me if I'm getting warm

Baby don't, baby don't, baby don't lie
I don't wanna cry no longer
Baby don't, baby don't, baby don't lie
I'ma need a love that's stronger
I tell you no, I tell you no, I tell you no I, no I
If we ever give up, then we're gonna die
Look me in the eye
Baby don't lie
Baby don't lie
