

Gwenyth Paltrow, Cruisin'

Gwyneth Paltrow and Huey Lewis - crusin'

Baby let's cruise
Away from here
Don't be confused
The way is clear

And if you want it, you got it forever
This is not a one night stand, baby
Yeah, so, let the music take your mind
Just release and you will find

You're gonna fly away
Glad you're going my way
I love it when we're cruising together
Music is played for love
Cruising is made for love
I love it when we're cruising together

Baby tonight
Belongs to us
Everything right
Do what you must

And inch by inch we get closer and closer
To every little part of each other, ooh, baby, yeah
So, let the music take your mind
Just release and you will find

You're gonna fly away
Glad you're going my way
I love it when we're cruising together
Music is played for love
Cruising is made for love
I love it when we're cruising together

Cruise with me baby
Ooh, yeah
Ooh
Ooh, baby let's cruise
Let's float
Let's glide
Ooh, let's open up
And go inside

And if you want it, you got it forever
I could just stay here beside you and love you, baby
Let the music take your mind
Just release and you will find

You're gonna fly away
Glad you're going my way
I love it when we're cruising together
Music is played for love
Cruising is made for love
I love it when we're cruising together

You're gonna fly away
Glad you're going my way
I love it when we're cruising together
Music is played for love
Cruising is made for love
I love it when
I love it, I love it, I love it, oh

Cruise with me baby
I love it when we're cruising together
