

Gwyneth Paltrow And Huey Lewis, Cruisin'

Baby let's cruise, away from here
Don't be confused, the way is clear
& if you want it you got it forever
This is not a one night stand, baby, yeah so

Let the music take your mind, ooh
Just release & you will find
You're gonna fly away
Glad you're goin' my way
I love it when we're cruisin' together
The music is played for love,
Cruisin' is made for love
I love it when we're cruisin' together

Baby tonight belongs to us
Everything's right, do what you must
& inch by inch we get closer & closer
To every little part of each other ooh baby, yeah So

Let the music take your mind
Just release & you will find
You're gonna fly away
Glad you're going my way
I love it when we're cruisin' together
The music is played for love,
Cruisin' is made for love
I love it when we're cruisin' together

Cruise with me baby
Cruise

Baby let's cruise
Let's flow, let's glide
Ooooh let's open up, & go inside
& if you want it you got it forever
I can just stay there inside you
& love you baby,

Let the music, take your mind
Just release & you will find
You're gonna fly (away)
Yeah, I'm glad you're going my way
I love it, when we're cruisin together
The music is played for love,
Cruisin' is made for (love)
I love it, I love it, I love it
You're gonna fly away
Yeah, glad you're going my way
I love it when we're cruisin' together
(The music is played for love)
It's love music
(Cruisin' is made for love)
