

# Gyllene Tider, Mr. Twilight

(Mr. Twilight, don't go away, oohh)

Twilight, so we meet again tonight  
but Twilight, I am all alone this time  
I'm coming back to you, cause I need a place to hide  
and you Mr. Twilight, it's just all right  
Hey, Mr. Twilight!

Twilight, ain't it hard to realize  
Hey Twilight, I tell you when I close my eyes  
I see a face of a girl that I might  
have lost in the twilight, tonight

Don't give me consolation, I just wanna be on my own  
Got no use on persuasion, I won't go home  
No, Mr. Twilight, I won't go home

Hey Mr. Twilight, tell them Mr. Twilight

Twilight oh twilight, I've made up my mind and I'll stay  
Oh, I see you are dying slowly, fading wave  
Please Mr. Twilight, don't go away
