

Gyroscope, Fire Away (live)

so fire away.. just fire away .. so anyway, so fire.. away.

how deep can i just cut away? until i hit something of importance?.. would you feel it anyway?

what doesn't kill me leaves me cold enough to shape and shave away this frozen heart.. would i ne

if only you were me and i was someone who could relay this back to us.

so fire away.. just fire away .. so anyway, so fire away.

just fire away.
